

Small stoves for small spaces

About Us

Salamander Stoves is a small, family-run business specialising in the manufacture and design of our highly efficient Hobbit stove and Little Range.

Our small but powerful cast iron multi-fuel stoves are DEFRA approved by Gastec Ltd in the UK, and they meet the 2022 Eco Design regulations. Each stove is hand-finished at our Devon workshop.

Our philosophy is simple; to provide a top quality, well-designed product at a competitive price, which is backed up with excellent customer service.

Home Of The Hobbit Stove

Our Hobbit stove is the ideal choice for small fireplaces, where larger stoves simply won't fit.

- 4kW output
- 81.4% efficiency
- Clean Burn & Airwash
- DEFRA & Eco Design 2022 Approved
- H 465mm x W 302mm x D 272mm
- Ash pan & multi-tool included
- Top or rear flue exit
- 100mm/4" outlet

The Hobbit is a multi-fuel stove, suitable for burning wood, coal, smokeless fuels or briquettes.

It has a pre-heated tertiary air intake and pre-heated secondary combustion technology. Every Hobbit comes with a 5 year warranty when you register your stove with us.

Options & Colours

The Hobbit stove comes in matte black as standard, but we also offer the unique ability to customise your stove with your own choice of colours!

Each part of the stove can be painted in a wide range of different colours, giving you complete freedom over the character of your tiny wood burner.

You can also equip your stove with the following options:

- Stand
- Coal bars
- Brass fittings
- Heat shields
- Direct air intake
- Stainless steel cooktop
- Side boiler
- Gallery rail

The Little Range offers the same great features as the Hobbit, combined with a larger stainless steel cooktop and a good-sized oven. The Little Range is also capable of producing the entire off-grid heating and hot water supply for your tiny home or off-grid cabin!

- Multi-fuel stove
- 4.4kW output
- 85.7% efficiency
- Clean Burn & Airwash
- DEFRA and Eco Design 2022 Approved
- H 630mm x W 715mm x D 400mm

Additional Options

- Choice of splash backs
- Coal bars
- Boiler
- Direct air intake
- Heat shields

The Little Range comes with a 7 year warranty when you register your stove with us.

The image shows a small, cozy room with dark green vertical wood paneling on the walls and ceiling. In the center, a silver wood-burning stove with a tall black chimney pipe is lit, with a bright orange fire visible in the glass door. To the left, a light-colored wooden chair with a curved backrest and a grey cushion sits on a patterned rug. A framed picture of a landscape hangs on the wall above the chair. To the right of the stove, a wicker basket filled with firewood sits on a black base. Further right, a white side table holds a lamp with a white shade and a blue vase. The floor is made of light-colored wood.

The Hobbit's excellent performance combined with its traditional yet elegant styling, and its superb value for money, has led to our little stove finding a home in countless small spaces and tiny homes! From cabins to canal boats, shepherds' huts, garden rooms, campervans, tiny homes, horse boxes and more!

treesisters

Visit our website to find your local dealer, or to find out more about our stove options, accessories and bespoke flue kits. For every Hobbit stove or Little Range that you purchase, we will also fund the planting of 3 trees! Photography by Lara and Christina Bloom, Wild Van, Indoor Imaging, and Helen Rushbrook.
